

**Important Details regarding your virtual attendance at
Math CAMPPP via Adobe Connect**

Wiki: <http://www.gains-camp PPP.wikispaces.com/CAMPPP+2011+Adobe+Connect>

This email includes important information about the upcoming **Adobe Connect Math CAMPPP** that begins Monday August 15, 2011, at 1:30pm EST. To ensure a successful meeting review all of the following before meeting day.

Requirements and preparation for the session:

- Computer with high speed internet
- Computer headset
- View the 6.5 minute video tutorial on how to use Adobe Connect 8 on our [wiki](#) (note the video is in 2 parts:)
- View the schedule on the [wiki](#)
- Check that you can access the meeting room (<http://conn-o.osapac.org/CAMPPP2011/>) before Monday August 15 and if you have any technical questions, contact Rod [email Rod_Yeager@rogers.com or call 519 941 7015].
- From the [wiki](#) download (and print if you wish) the handouts that will be used during each plenary, before that plenary session.
- Gather manipulatives or virtual manipulatives as follows:

Manipulatives for Monday and Tuesday (proportional reasoning focus)

- brown paper bag
- small set of multi-colour counters OR square tiles in four colours
- fraction strips OR fraction circles
- couple of 2 sizes of paper clips
- black line master for a spinner (in handouts)
- a calculator

Manipulatives for Wednesday and Thursday (focus on algebraic reasoning)

- square tiles
- linking cubes
- ruler
- metre stick
- chart sized grid paper
- access to CLIPS (www.mathclips.ca)

Links to virtual manipulatives:

linking cubes: [NLVM - space blocks](#)

spinners: [NLVM - Spinners](#)

square tiles: [NLVM - Polyominoes](#)

fraction strips: mathCLIPS.ca/TOOLS

calculator: mathCLIPS.ca/TOOLS

pattern maker using square tiles: mathCLIPS.ca/TOOLS Under pattern "pattern maker"

CLIPS: mathCLIPS.ca/TOOLS

Sign in instructions for each session during CAMPPP:

- 15 - 30 minutes before each session begins go to the url:
<http://conn-o.osapac.org/CAMPPP2011/>
- sign in by selecting "guest", and enter your full name as per your application form, click on "enter room"
- Run the Audio Set-Up Wizard from the Meeting Drop Down menu as per the instruction in the tutorial
- If you are having technical difficulties, there will be technical assistance available by
 1. asking your question privately to Rod (host) in the chat pod any time during the presentation
 2. telephone Rod for assistance using the number 519 217 8881 *up until 15 minutes before* the session begins

Protocols for session:

- Log into session at least 15 minutes in advance. Solve all technical issues beforehand (e.g complete the audio set up wizard)
- Use the status menu as appropriate (e.g., if you wish to speak, if you step away)
- Clear your status as appropriate
- When you are not speaking mute your microphone.

We look forward to meeting you "virtually" and learning together during CAMPPP 2011
